Interfolio

Information Session

Monday, October 26, 2009

Noon - 1:30pm

126 Voorhies Hall

Interfolio is a convenient online file service that partners with the Internship & Career Center to help you showcase and share your work online and simplify the application process. With Interfolio's suite of tools, you can build and enhance your career, knowing your documents are secure and can be easily shared or delivered.

Join us for this workshop on how to use Interfolio and get the most out of this service. For more information contact Teresa Dillinger
tdillinger@ucdavis.edu

All Graduate Students and Faculty Members are cordially invited to attend!

*Sponsored by the Internship and Career Center & the Office of Graduate Studies
