

Career Assessment Series ***for Graduate Students & Postdocs***

Part 1: SkillScan & Values Assessments

Monday, September 28, 2:00-4:00pm

This workshop is designed specifically for graduate students and postdoctoral scholars seeking a better understanding of your skill sets and values and how these might apply to your career path.

The SkillScan assessment allows you to identify your transferable skills through an engaging, interactive card-sort process in our workshop. The Values assessment helps you to better understand your underlying work needs and to determine which of these are most important to you in the job setting.

To register for this workshop you must first purchase the SkillScan and Values assessment recording forms from the UCD Bookstore:

1) Go to the Trade Counter in the far back right corner of main UCD bookstore and ask to purchase each of the assessments,

Professional Pack Report Form for ICC Workshop (\$3.25).

Values Driven Work for ICC Workshop (\$3.79).

2) Save your receipt! You will need your transaction number (located on the upper right portion of your receipt) to register for this workshop.

3) Have your receipt ready and go to <https://iccweb.ucdavis.edu/graduates/SSVsignUp.htm> to register online for the workshop.

You will receive the room location once you have successfully registered.

Questions? Please contact Teresa Dillinger at tldillinger@ucdavis.edu
