

HIRE ME! ACADEMY

Graduating seniors and recent alumni, become a job search pro with our series of workshops that cover six keys to job search success:

Know Yourself/Promote Yourself

Gain insight on what skills you have to better sell yourself on paper and in an interview.

#1 Job Search Secret

Learn the #1 way employers say they find new hires.

Conquer Job Search Stress

Job searching in this economy is stressful; but you can learn strategies to avoid common stresses and how to cope.

Online Job Search

Get your resume ready to go online! Use our tips and tricks to be an online job search success.

Interviewing & Negotiating

Polish your interviewing skills and learn how to successfully negotiate.

Resumes & Cover Letters

Create the best resume and cover letter to help you land the interview!

See Back Page for Dates, Times and Locations
